The monthly fee for the trustee managing director (if commissioned) is agreed with the client and the managing director as follows and amounts to € 600 plus VAT and will be settled directly with your company.

After the opening of the company account, the client (or trustor resp.) has to pay in the share capital of € 500 upon request.

The services of SiBa Wirtschaftskanzlei GmbH relate exclusively to the formation of the company and the trust service. Additional services (such as consulting) are only owed upon separate written agreement. For legal reasons, neither legal nor tax advice may be given. If a special motivation or purpose is pursued, a lawyer or tax advisor should be consulted.

The incorporation fee does not include notary fees and registration fees (commercial register, business registration).

After the prerequisites have been met (including complete receipt of payment, submission of identification documents, power of representation, ownership and control structure, information on money laundering prevention and submission of all other information and documents that may be requested by the notary), SiBa Wirtschaftskanzlei GmbH will execute the order or part of the order for which the requirements are met, within 10 working days except Saturday.

I am aware that the notary will charge a drafting fee even if no notarial deed is executed through my fault. I agree that you may then settle this fee from the package fee paid by me and that you will then no longer reimburse me for this portion.
